Other ISD Models You
Should Know About

Purpose

- Introduce new ways to think about your design

- Encourage you to explore other tools/systems

- Get you out of your designer "box"

It Is NOT

- Meant to be a comprehensive study of these ISDs
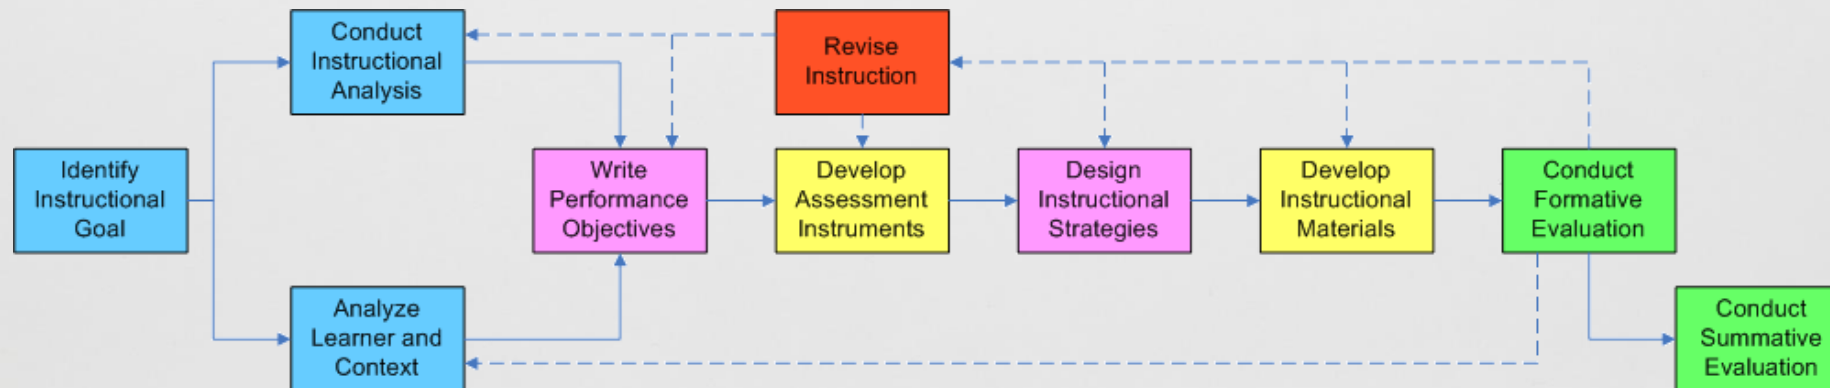

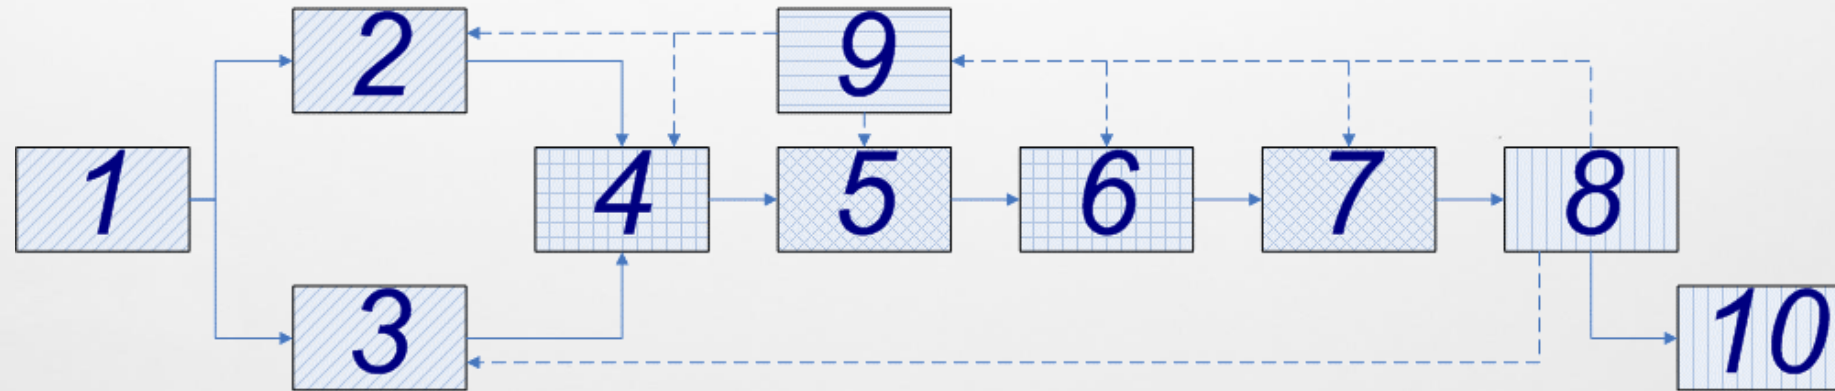

- Going to cover ALL ISDs
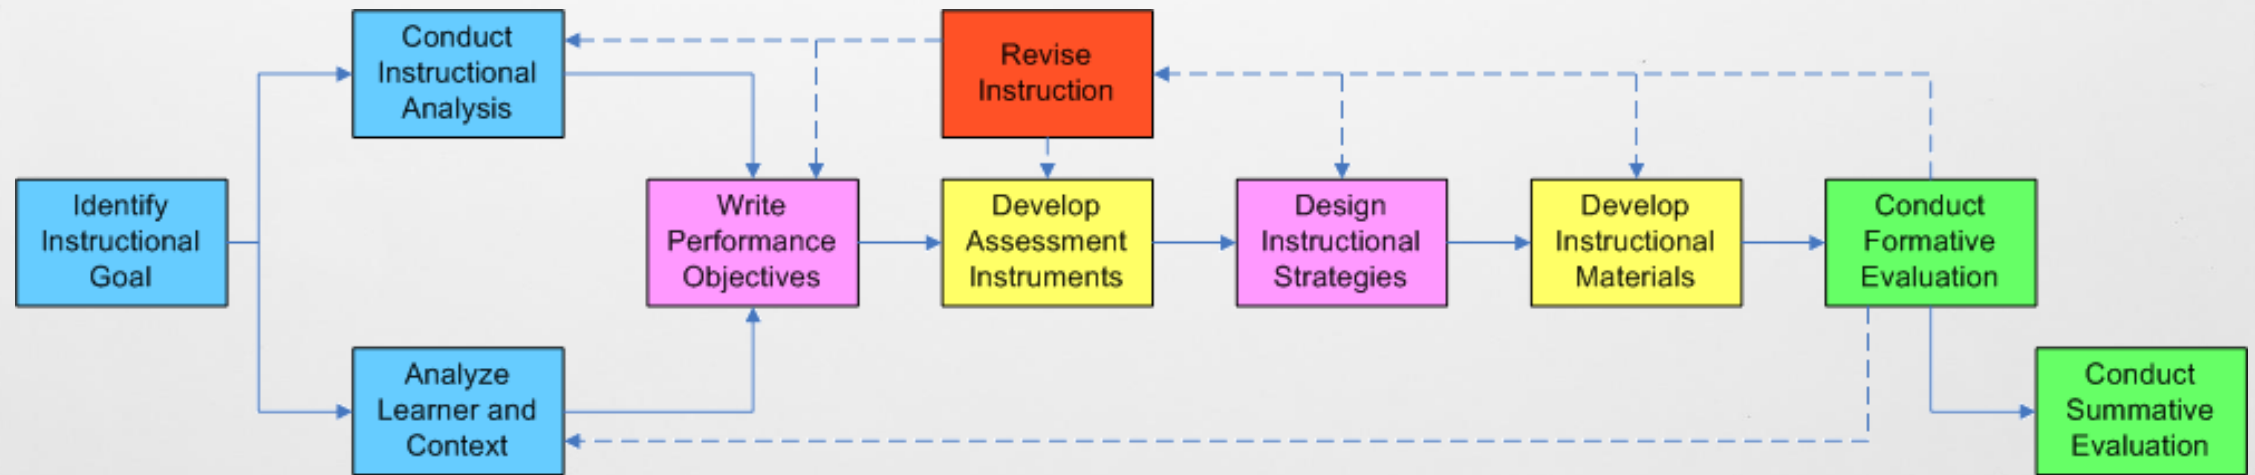

- An ADDIE bashing Session

Action Mapping

Everything supports the business goal.

Measurable goal

Increase widget sales

Only the essential information for that activity

Job behavior that will reach the goal

Realistic practice activity for that behavior
